PRESIDENT OBAMA AT GES SILICON VALLEY 2016 WITH 700 LEADERS FROM 170 COUNTRIES

STANFORD SEED ENTREPRENEURS

Paris, Washington DC, 11.08.2016, 01:04 Time

USPA NEWS - Stanford Seed Entrepreneurs joined President Obama at GES Silcon Valley 2016. Afolabi Abiodun, CEO of Nigeria-based telecommunications company SB Telecoms, couldn't quite believe his eyes as he stood on Stanford University's bustling Silicon Valley campus recently.

world-class business leaders and to network internationally was hugely inspiring. "I see it as a real privilege, "[?] Abiodun said. "I established new relationships that I could never have imagined I would have access to." [?] Nicole Amarteifio, founder of Ghana-based

television and film production company An African City, agreed. "I am very happy to be here, "? she said. "You can feel the energy . . . It is a global energy, and it is really exciting to be a part of that. "? The Stanford Institute for Innovation in Developing Economies is led by Stanford University's Graduate School of Business, and works to help entrepreneurs based in developing economies grow and scale their businesses and lead their regions to greater prosperity. The Seed Transformation Program is taught by Stanford GSB faculty at Seed's West Africa Center in Accra, Ghana, and at its East Africa Center in Nairobi, Kenya.
